

International Conference on Plant Proteostasis

10-13 September 2019
Albert-Ludwigs-University of Freiburg
Institute for Biology II, Freiburg, Germany

KEYNOTE SPEAKERS

Roberto Solano *EMBO Keynote Lecture*
Centro Nacional de Biotecnología, Spain

Rick Vierstra *Keynote Lecture*
Washington University in St. Louis

INVITED SPEAKERS

Andreas Bachmair
Max Perutz Laboratory, Austria

Tolga Bozkurt
Imperial College London, UK

Yasin Dagdas
Gregor Mendel Institute, Austria

Daniel Gibbs
University of Birmingham, UK

Daphne Goring
University of Toronto, Canada

Emmanuelle Graciet
Maynooth University, Ireland

ORGANISERS

Marco Trujillo
University Freiburg

Luz Irina A. Calderón Villalobos
Leibniz Institute of Plant Biochemistry

Pascal Genschik
Inst. de Biologie Moléculaire des Plantes CNRS

Erika Isono
University of Konstanz

Ute Höcker
University of Cologne, Germany

Michael Holdsworth
University of Nottingham, UK

Stefan Hoth
University Hamburg, Germany

Isabel Jupin
Institute Jacques Monod, France

Maria Lois
CRAG, Spain

Marisa Otegui
University of Wisconsin Madison, U.S.A

Pedro Rodriguez
IBMCP, Spain

Vicente Rubio
CNB, Spain

Ari Sadanandom
University of Durham, UK

Claus Schwechheimer
TUM, Germany

Nuria Sánchez Coll
CRAG, Spain

Giovanna Serino
University of Rome, Italy

Libo Shan
Texas A & M, U.S.A.

Steven Spoel
University of Edinburgh, UK

Agnieszka Sirko
Inst. of Biochem. & Biophysics, Poland

Freddie Theodoulou
Rothamsted Research, UK

Suayib Üstün
University Tübingen, Germany

Harrold van den Burg
University of Amsterdam, Netherlands

Greg Vert
LRSV CNRS, France

Qi Xie
Chinese Academy of Science, China

REGISTRATION

opens March 1st, 2019

MAJOR TOPICS

Ubiquitin and like modifications
Autophagy
Signalling networks
Quality control
